Class Extension Options (+\$15):

The **Class Extension** option provides an extra hour of training for children who want to progress more quickly, refine their skills, and enhance their technique. This extended session gives athletes additional time for practice, stretching, strength, and conditioning exercises, helping them improve their performance and better prepare their bodies for success.

- **2nd Hour of Training** (Requires an 8-Session Extension Pass, available for purchase in the Pro Shop. Cost: \$120 with a 1-year expiration. These sessions are used to extend your child's training beyond the regular class—use them at your convenience. This is not a subscription.)
- **Open Gym** added to your training session, allowing kids to practice the skills they just learned in class or simply play and explore the gym after class.
